Room 201

Texas Civil Process – “Most Asked Questions”

The program will consist of recent problems presented to the instructor by several civil divisions and how the situations were resolved. There will be some policy suggestions designed to lessen possible liability but still conform with the codes.

Presenter: John Steinsiek

Room 202

Effective Policy Maintenance and Other Risk Management Considerations

This program will cover multiple areas of contemporary legal trends including Liberal National Trends in Law Enforcement; Policies: The Most Important Policies to Have Up-To-Date; and Personnel Files and Retention Schedules.

Presenter: Robert Davis and Lee Correa, Flowers Davis, P.L.L.C.

Room 203

Election Law Update

With a Presidential Election looming in the November General Election, the Texas SOS and County Clerk's Association will provide updates on Election Law and procedures to help ensure sheriffs are prepared for any challenges similar to those with the 2020 General Elections.

Presenters: Director of Elections Christina Adkins, Tx SOS and County Clerk Heather Hawthorne, Chambers County

Room 204

Legal and Procedural Update for Officer-Involved Shooting Investigations

Many sheriffs and other agencies call on the Texas Ranger Division to assist with Officer-Involved Shooting investigations. This course will provide updates on legal and procedural aspects of those investigations to help ensure administrators and officers understand the process.

Presenter: Texas Ranger Lt. Troy Wilson, DPS
